Dear Admiral Turner,

Thank you for the invitation to
the change-of-command in Europe.
I regret I couldn't be there!

Helen and I followed with keen
interest your nomination and
confirmation as Director of Central
Intelligence. We weren't surprised
when you were nominated; we
expected you would have a very
significant position in the new
administration. I am confident
you will find CIA a rewarding
challenge. Please extend our
best regards to Pat. Very respectfully
Rudolf A. Brusfferman
